

INVITATION

GOTHENBURG CERAMICS 2019

Production, Trade and Cultural Exchange in Europe AD 1000–1850
MUSEUM OF GOTHENBURG, 24-27 APRIL 2019

THE LAST 100 YEARS of historical archaeology in western Sweden have resulted in extensive, primarily urban, ceramic collections in our museums. This material reveals a picture of ceramic development as well as suggesting complex European links spanning a period of 850 years. Although there is ongoing research, much of the material still remains unpublished. This conference aims to meet and discuss European ceramics from a broad perspective. There will also be an opportunity to view pottery assemblages from our museum collections.

REGISTRATION

The registration for Gothenburg Ceramics 2019 is open. Last day to register is 28 February 2019. You will find the registration form on the Museum of Gothenburg website.

CONFERENCE VENUE

The conference will be held at the Museum of Gothenburg, situated in the building of the former Swedish East India Company. The museum is located in the city centre, easily accessible by public transport.

WORKSHOP

There will be a “hands on” viewing of local assemblages on Saturday afternoon. You will have to choose between medieval materials from Lödöse or early modern materials from Nya Lödöse and Gothenburg. The Lödöse viewing will be held at Lödöse museum and transportation will be provided (ca 40 km north of Gothenburg).

PRICE

The fee for the conference will include lunch and coffee/tea, entrance to the museum and the abstract book. The conference fee will be invoiced in advance.

CONFERENCE DINNER

The conference dinner will be held on Friday evening at the Freemason's Lodge (Frimurarsalongerna) which is situated opposite the Museum in central Gothenburg. The dinner is optional.

ORGANIZING COMMITTEE FOR THE CONFERENCE

Tom Wennberg, Museum of Gothenburg, Sweden
Åsa Engström, Museum of Gothenburg, Sweden
